SYSTEM CHANGES AT 70th STREET

We recently made changes to our computer systems to perform better for Autodesk, Adobe, and Google SketchUp applications. Therefore, we ask that if you are teaching or using one of these applications to follow the instruction below.

1. Restart the computer
2. Select “Limited_Windows_7” and press enter
3. Read instruction on screen
4. Then log in normal with your credential

Note: You will not be able to print. If you want to print and/or use other applications, restart computer and select “Windows_7”. If you not sure which one you are on, just restart the computer and select the one that you want.
